Patient Rights	I understand that I do not have to sign this authorization in order to get health care benefits (treatment, payment, or enrollment). I understand I have to sign this authorization form to take part in a research study or to receive health care when the purpose is to create health care information for a third party. I understand I may revoke this authorization in writing at any time. If I do so, this will not affect any actions already taken by the disclosing health care entity in accordance with the authorization. I understand that once health care information is disclosed, if the person or organization that receives it is not covered by federal or state patient privacy laws, the health care information may be re-disclosed without protection of privacy laws.
Signature	I have read this authorization, and I understand it. Lily Rollins — Signature of patient or legal representative — 8/11/22 — Date _____ — Printed name is signed by party other than patient — _____ — Relation to patient if not self
